CAREER OBJECTIVE

Enthusiastic B.Sc. student specializing in Artificial Intelligence and Machine Learning, with a strong interest in web development and programming. Skilled in building responsive websites and eager to apply my knowledge in a real-world IT environment. A quick learner with a passion for continuous growth and professional development.

EDUCATION

B.Sc. Artificial Intelligence & Machine Learning
Swami Dayananda College of Arts & Science, Manjakkudi

 2023 - 2026

Higher Secondary Certificate (HSC)

St. Antony's Matriculation Higher Secondary School, Sakkottai

 2021 - 2023

PROJECTS

Intelligent Rainfall Forecasting Model (Machine Learning)

Developed a machine learning model to predict rainfall using historical weather data

Performed data preprocessing, feature selection, and model training

Improved prediction accuracy using appropriate algorithms

Technologies Used: Python, Machine Learning

Portfolio Website

Designed and developed a personal portfolio website to showcase my skills and projects

Created a clean and responsive user interface (UI/UX)

Improved usability and visual presentation

Technologies Used: HTML, CSS, JavaScript

Hosting: GitHub Pages

TECHNICAL SKILLS

Programming: Python, C++

•

Web Development: HTML, CSS, JavaScript

Database: MySQL

Basic knowledge of Digital Marketing

SOFT SKILLS

Communication

Problem-solving

Collaboration

STRENGTH

Quick learner with a strong interest in AI and ML

Passionate about building real-world projects

Willing to learn new technologies and tools
